Kevin Brown

Industrial Engineer

kevin.brown@email.com | (555) 901-2345 | Charlotte, NC

PROFESSIONAL SUMMARY

Industrial Engineer applying time studies, layout optimization and simulation to improve manufacturing efficiency and ergonomics.

PROFESSIONAL EXPERIENCE

Industrial Engineer | Carolina Manufacturing Systems | 2018–Present

- Redesigned assembly layout increasing productivity 21%.
- Conducted time studies establishing accurate standard times.
- Led ergonomic improvements reducing injury rates 25%.

Junior Industrial Engineer | Eastern Products | 2015–2018

- Supported line balancing and capacity modeling.

EDUCATION

B.S. Industrial Engineering — North Carolina State University (2015)

KEY SKILLS

Time Study | Facility Layout | Simulation | Ergonomics | Excel / Access
